

Govt. of Bihar
MUZAFFARPUR INSTITUTE OF TECHNOLOGY
MUZAFFARPUR-842003
(Under the Department of Science & Technology Govt. of Bihar, Patna)

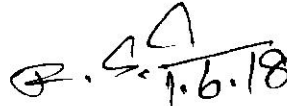

Date: 01/06/2018

Notice

In order to be engaged as Apprentice in Department of Science and technology and other departments of the state government, final year students are required to register for apprenticeship training through the NATS web portal. There are 126 subject fields for graduate students for which training is provided. The period of training is one year during which Stipend is also paid. During enrollment students are required to upload their 7th semester marksheet to complete the registration process. They will be required to upload their 8th semester marksheet after results are declared.
