Ref. No.: _____ /

Dated: 13 /11/2017

This is to inform that Incubation Centre IIT Patna (ICIITP), in association with Entrepreneurship Club IIT Patna, is conducting a MedTech Hackathon as part of Nexus 2017 from 12/12/2017 to 15/12/2017

The theme of the event is:-

“Technology for good : solving healthcare problems at the bottom of the pyramid”

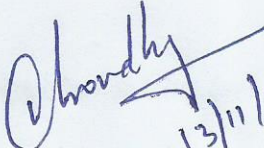

The participants will be required to work on any of the following six problem statements.

1. Diagnosing Heart Attacks in the areas where there is very limited availability of cardiac specialists.
2. Devices for managing type 2 Diabetes
3. Providing low-cost and effective ventilators for secondary and tertiary hospitals
4. Diagnosing pneumonia in infants
5. Affordable assistive devices for visually impaired people
6. Affordable electronic hearing aid.

Interested students can provide their ideas on any one of the above mentioned topics in group or individually and register themselves for the event at Super I-way lab till **16/11/2017**.

For further details regarding problem statements, feel free to contact the following:

1. Rahul Raj (2k15) – 8651062061
2. Vikram Kumar (2k15) – 7632056888
3. Abhishek Goswami (2k15) - 9304676754
