ABOUT MIT MUZAFFARPUR

Muzaffarpur Institute Of Technology (MIT), Muzaffarpur is a premier institution of eastern India for technical education. Established in 1954, MIT Muzaffarpur is one of the oldest technical institutes of India. The foundation stone was laid by the first prime minister of India Pt. Jawaharlal Nehru on 21st April, 1956. It is under administrative control of the department of science and technology and is totally funded by the government of Bihar. The campus is on 85 acres.

Muzaffarpur Institute Of Technology was inaugurated by C.P.N Sinha, the Governor of East Punjab. Initially it was started with civil engineering with a batch of 45 students as the 1954-55 batch with the name of 'Civil College Of Engineering', Muzaffarpur.

Electrical and Mechanical Branches were added in 1960-61 and the Institute was renamed as Muzaffarpur Institute Of Technology.

Bachelor Of Pharmacy and Leather Technology disciplines were added in 1978 and 1986 respectively.

Information Technology and Electronics and Communication engineering were introduced in 2003.

FROM THE DESK OF **PRINCIPAL**

Education prepare a person to meet new challenges, scale fresh heights and lead a successful life. We, therefore, at MIT Muzaffarpur, would like to encourage all students to strive for the best and achieve excellence by way of inclusiveness, integrity, innovation and creativity.

Institution is not only for academic brilliance but also for the ambience where our ancient cultural heritage and human skills are enhanced. Our constant endeavour is to create a climate for the dissemination of knowledge and technical skills wherein the products of this institution compete with the best in the country. The main focus of this institution is to empower student with the sound knowledge, acumen, experience and training both at the academic level of engineering and technology in the cutting edge of global market.

I wish my students have glorious academic career and splendid future. They must be proud of themselves as a confident and successful technocrat after four year of exciting stay at MIT Muzaffarpur.

Best Regards,

Dr . JAGDANAND JHA
Principal, MIT Muzaffarpur

MESSAGE FROM THE **HEAD (TPO)**

Being a part of one of the top ranking college in Bihar and in the country, our students are amongst the best and brightest and are well qualified to take up positions of responsibilities in their chosen fields of endeavour.

Their association with the college further fortifies these skills to enable them to shine like a sun. we here at MIT Muzaffarpur make our students work hard so that they acquire skills that enables them to fit in every era of academic as well as professional activities.

To further inculcate the problem solving attitude, efforts are made to include as much practical aspects as possible in the various course of studies.

Almost all of our students are engaged in a plethora of activities outside the purview of their engineering curriculum including social work, sports and game, organising different events in the college which help them to build a wholesome personality.

I am pleased to recommend our students for a suitable position in your organisation with the confidence that they shall prove to be worthy contributors in the journey of your growth.

Best Regards,
Prof .Faiz Ahmad
TPO HEAD,MIT MUZAFFARPUR

WHY RECRUITS AT MIT MUZAFFARPUR

MIT stands among the oldest Engineering College in nation
Established in 1954.

Admission to MIT is made through BCECE the toughest
examination after JEE-Mains , The examination consists of two
stages PT and Mains.

A refining process to get the best among the students.

MIT always being the first choice of students among 13 government
and other private institutions across the state.

DEPARTMENTS

Admission to UG Programmes are done through the BCECE, known for the toughest examination in the Bihar and conducted by the government of Bihar at two level P.T and MAINS and admission for PG Programmes through GATE.

UNDERGRADUATE COURSES

- CIVIL ENGINEERING
- MECHANICAL ENGINEERING
- ELECTRICAL ENGINEERING
- ELECTRONICS AND COMMUNICATION ENGINEERING
- INFORMATION TECHNOLOGY
- LEATHER TECHNOLOGY
- PHARMACY

POSTGRADUATE COURSES

- MACHINE DESIGN
- THERMAL POWER

INFRASTRUCTURE

The campus is in the north-west corner of Muzaffarpur city, along Muzaffarpur–Motihari road, and spread over an area of 250 acres (1,000,000 m²) four kilometers from Muzaffarpur railway station. The institute is flanked by the river Burhi Gandak on the north, a reservoir on the east, Muzaffarpur–Motihari road on the south, and the road network on the west.

The campus is divided into following zones:

Academic Zone that includes department offices, lecture theaters, libraries

Student Residential Zone

Faculty and Staff Residential Zone

Student Recreational Area that includes football ground, cricket ground, badminton courts, hockey field.
