## ABOUT THE INSTITUTE

M. I. T. Muzaffarpur established with the name College of Civil Engineering, Muzaffarpur on 25<sup>th</sup> September 1954 with one discipline. Establishment of higher technical institutions in India, along the lines of the Massachusetts Institute of Technology and consulting from the University of Illinois at Urbana-Champaign along with affiliated secondary institutions it is recommended that work should start with the speedy establishment of major institutions in the four quarters of the country with the ones in the east immediately. It was inaugurated by C. P. N. Singh, governor of then East Punjab. The first Prime Minister of India Jawaharlal Nehru laid the foundation of the main building. Mechanical engineering and Electrical engineering disciplines were added in 1960 and the institute was renamed as *Muzaffarpur Institute of Technology*. Pharmacy and Leather Technology were added in 1978 & 1986 respectively. Information Technology and Electronics and Communication Engineering disciplines were introduced in 2001. In December 2008, the government of Bihar declared that MIT would be developed into a model engineering college.
