Muzaffarpur Institute of Technology, Muzaffarpur

Smart India Hackathon – 2024
Software & Hardware Edition
Notice: - Team Detail and Solution Idea Submission

Dear Students

It's great to tell you that Smart India Hackathon (SIH) 2024 has been announced. It is a nationwide initiative to provide students a platform to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem solving. In SIH 2024, students would have the opportunity to work on challenges faced within various Ministries, Departments, Industries, PSUs and NGOs to create world class solutions for some of the top organizations including industries in the world, thus helping the Private sector hire the best minds from across the nation.

SIH 2024 Website Link: - https://www.sih.gov.in/

According to SIH 2024 process flow team selection for idea submission will be done by institute through In-Campus (Internal) Hackathon. In this regard, all students are hereby informed to build their team to participate in Internal Hackathon organized by institute. Teams selected through this Hackathon will be able to submit solution ideas in SIH 2024 software and Hardware edition. **Following is the google form which must be submitted by team leader on/before August 31, 2024.**

Google Form Link to Team Details Submission: - https://forms.gle/eX5yVkyLyYBsgEjH8

Team formation Rules [according to SIH 2024] & Instructions for Google Form submission: -
- There must be 6 members in a team, including Team Leader and minimum one girl member.
- Each team must have a unique team name.
- No team member can be in two different teams i.e. a team must have unique members only.
- All members must have a valid Gmail Email ID and Working Phone Number.
- All members must be from the same institute, but they can be from any department and any semester.
- The team must decide the theme of work and submit the correct PS Number, theme and Problem Statement title. Check this page for these data and problem statement[Check website for detail]
- You may have two faculty mentors from the beginning of your work.

Prepare a PPT (Maximum 6 slides including Title Slide) for the solution of the chosen problem statement and submit it in PDF format through the above google form. **Be careful with the team details, it won't be changed.** Priority will be given to well prepared team and better feasible solution Idea.

Solution PPT format : - Click here to download

Internal Hackathon will be tentatively conducted in first week of September 2024. All team members must be present during the internal hackathon with the solution Idea PPT.

Build the best team & solution to win.
All the best!
